EDUCATION

Alchemy Code Lab 2020

6 months of intense code immersion with focus on JavaScript, React, Node.js, Express and PostgreSQL. Here I learned many tools for advanced problem solving.

Portland Community College 1994 - 1997

Fine Arts, focused on life painting and drawing.

WORK EXPERIENCE

Parthenon Software Group 9/2021-present

Software Developer

Building and maintaining custom software for a variety of client needs. Delivering elegant solutions to complex problems leveraging a wide range of technologies.

Alchemy Code Lab 1/2021-6/2021

Software Development Teaching Assistant

Teaching the next generation of developers. Focused on JavaScript, React, Node.js and PostgreSQL.

Goldrush Coffee Bar 2004-2020

Owner / Operator

Community and quality were paramount to the vision. Here I learned many sides of small business operations including actively supporting the local community, hiring and management of staff, inventory management, bookkeeping, accounting and customer relations. Problem solving was the common thread woven throughout my many daily tasks.
